

SOLID WOOD FLOORING

Solid hardwood flooring stands as a classic and robust choice for floors, crafted from single timber pieces. Celebrated for its inherent charm and distinct features, this type of flooring infuses any room with warmth and refinement. With an array of wood types at your disposal, you can customise your flooring to match personal tastes and the desired aesthetic. Adding not only visual appeal but also value to your residence, these floors can endure for generations with appropriate care.

NATURAL BEAUTY

SOPHISTICATED

VARIETY

DURABLE

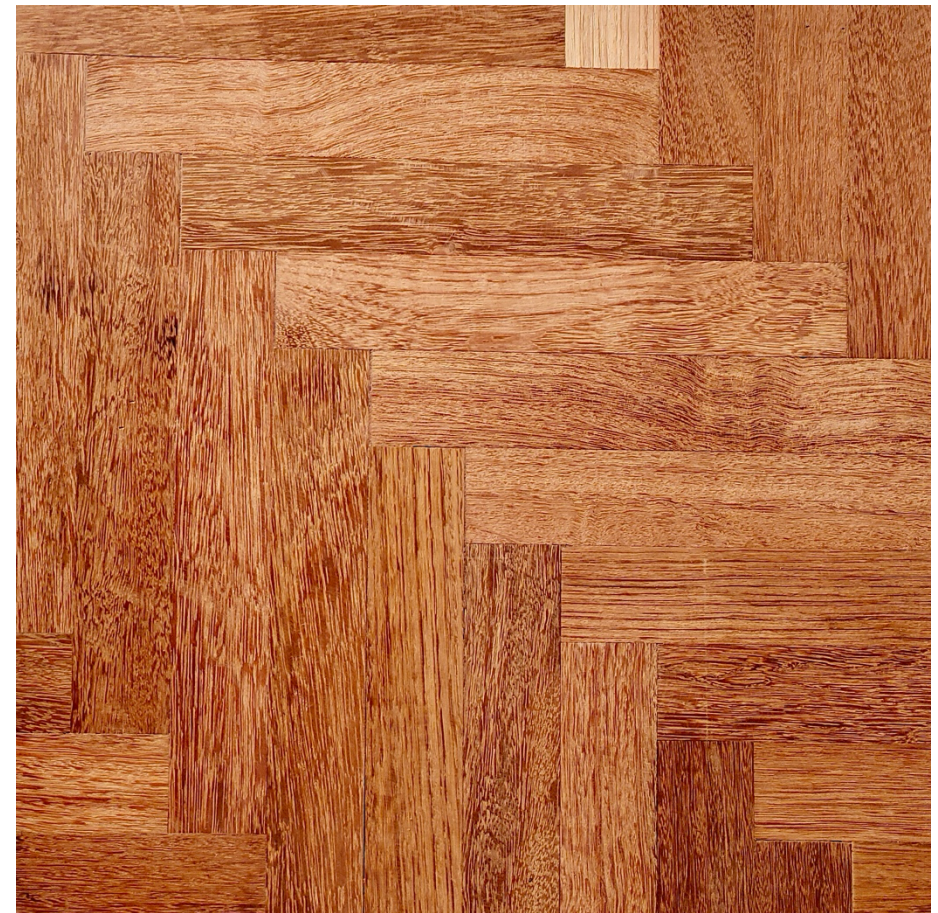

Discover the exotic allure of Kempas wood, sourced exclusively from the lush forests of Indonesia. Renowned for its striking reddish-brown hue and rich grain patterns, Kempas is a premier choice for adding warmth and sophistication to any space.

With a Janka hardness rating of 1712, Kempas is a durable and resilient hardwood, perfect for high-traffic areas in both residential and commercial settings. Its natural resistance to wear and tear makes it an ideal option for flooring, decking, and even furniture.

Not only is Kempas visually stunning, but it is also known for its eco-friendliness and sustainability. Harvested responsibly from well-managed forests, our Kempas wood is a testament to our commitment to preserving the environment.

Whether you are seeking to create a luxurious ambiance or looking to enhance the natural beauty of your surroundings, Kempas wood offers a timeless elegance that will elevate any design aesthetic. Choose our Kempas wood flooring for a touch of Indonesian splendour in your living or working space.

Indulge in the diverse colour palette of our Kempas wood, offering a choice between various contemporary patterns from chevron, mosaic, herringbone to herringbone designs for a personalised touch.
